REQUEST FOR QUALIFICATIONS
Regulatory Affairs Services, Analysis, and Federal Energy Regulatory Commission Monitoring

1. INTRODUCTION

The mission of the Wyoming Energy Authority (WEA) is to advance Wyoming's energy strategy by driving data, technology, and infrastructure investments. The WEA is issuing a request for qualifications (RFQ) from service providers, consultants, and other interested entities who can provide regulatory analysis and monitoring to support the WEA's goals and promote its mission.

2. SPECIFICATIONS AND SCOPE OF WORK

A. Purpose

The purpose of this solicitation is to secure services from qualified organizations that can provide regulatory analysis and monitoring to support the WEA's goals and objectives in understanding the impacts of proceedings, policy development and orders at the Federal Energy Regulatory Commission (FERC), including, but not limited to, monitoring FERC meetings, providing analysis of proposals and proceedings, and intelligence efforts focused on supporting the WEA's mission to advance Wyoming's energy portfolio.

B. Scope of Work

The required services include:

1. Regulatory Affairs Services, Analysis, and FERC Monitoring
 - a. Provide regular, periodic updates on FERC proceedings, meetings, policy statements and upcoming orders as they relate to energy, permitting, electricity transmission lines, and energy and power markets.
 - b. Share key insights on Commissioner actions, potential policy development actions, and coverage of stakeholders and officials that can influence the FERC process.
 - c. Conduct regular strategy calls with WEA leadership to help identify key issues to track and monitor before FERC, as well as important related energy or environmental issues that could impact outcomes related to the WEA's purpose and mission.
 - d. Provide analysis, counsel and advisory services to interpret FERC decisions and trends on energy and infrastructure projects in the State of Wyoming.
 - e. Provide monitoring and analysis of Congressional hearings pertaining to FERC.
 - f. Develop, with input from the WEA, an individually tailored, periodic reporting system to efficiently transmit information on key proceedings and impacts on Wyoming's economy and energy industry. This reporting system may include: participation in regular coordination calls (weekly or biweekly); activity reports to be issued on a biweekly basis; and real-time news and updates as appropriate.

3. PROJECT PERIOD

The project period will be a six-month trial to determine the submitter's effectiveness in performing the ongoing services as described in the scope of work. There will be an option for annual contract renewals based on the selected vendor's performance.

4. APPLICANT ELIGIBILITY

Participation in this program is open to companies, organizations, and individuals that can undertake such an engagement.

5. 5. RFQ Q&A (QUESTIONS AND ANSWERS)

If you have questions regarding this solicitation or if you need more information, please email: Kaeci

Daniels, SEP Program Coordinator, at kaeci.daniels2@wyo.gov with “Regulatory Affairs RFQ Query” in the subject line.

6. SCREENING AND EVALUATION PROCESS

A. Screening

The Wyoming Energy Authority will screen all submissions prior to official review to ensure completeness and compliance with the requirements of this solicitation. Those submissions that do not comply, or are otherwise deemed to be non-responsive, will be returned to the Applicant with an explanation of the submission’s deficiencies. All accepted submissions will be reviewed by the agency. Applicants may be contacted directly if the WEA requires clarification or more information.

B. Evaluation Criteria

Submissions will be evaluated according to the criteria described below:

- Applicant’s qualifications, experience, demonstrated capabilities, understanding of requirements, and references.
- The suitability of the proposal to fulfill the requirements.
- Flexibility and willingness to accommodate the various deadlines and requirements from various project demands.
- Ability to complete the scope of work on a recurring basis throughout the project period.
- Cost for services including a not-to-exceed monthly maximum, and any other related fees.
- Responsiveness – The degree to which the applicant has responded to the purpose and scope of the specifications, the flexibility to meet the agency’s needs, conformance in all material respects to this request for qualifications, etc.
- Responsibility – The applicant has the capability to perform fully the contract requirements, and the moral and business integrity and reliability which will assure good faith performance as required.
- Compliance - Compliance with all state and federal entities that govern business operations; including, but not limited to, maintaining sufficient general liability insurance, possessing good standing with the submitter’s respective Secretary of State, and having no indictments or convictions resulting in suspension and debarment for federal funding.

The Wyoming Energy Authority will rank the submissions according to the guidelines. The Wyoming Energy Authority reserves the right, without limitation or qualification, to consider any other criteria or factors that the agency deems relevant to provide the best services. **NOTE: Decisions of the Wyoming Energy Authority are final and are not subject to appeal.**

C. Applicant Notification

All Applicants will be notified by email regarding the outcome of the evaluation process and final project selections by the dates indicated in Section 7 “Dates.”

7. DATES

All dates and times are Mountain Time and are subject to change at the sole discretion of the Wyoming Energy Authority. Proposals received after the time and date specified will not be considered.

Issue Date: March 3, 2022

Closing Date: 5:00 p.m. March 16, 2022

Final Project Selection: No later than March 25, 2022

8. RIGHTS AND DISCLAIMERS

The Wyoming Energy Authority reserves the right, without limitation or qualification and at its sole discretion, to terminate this solicitation process at any time. The Wyoming Energy Authority reserves the right, without limitation or qualification, to reject any submission at any part of this solicitation process. All decisions made by the Wyoming Energy Authority are not subject to appeal.

9. SUBMITTAL INFORMATION

All costs incurred in the preparation and presentations of the submission, are the applicant's sole responsibility. All documentation submitted with the submission will become the property of the Wyoming Energy Authority.

Submission method: Upload submissions via email to kaeci.daniels2@wyo.gov. The subject line of the email should read "Regulatory Affairs RFQ Proposal - [Company Name]".
